Orlando Florida Resorts—Low Rates for Resort Suites

Make the most of your family vacation with Orlando Florida Resorts. Enjoy the luxury of a one- or two-bedroom suite with separate living and dining areas and a full kitchen for less than the cost of a standard hotel room.

The prices listed here are per week/ per unit, so when you see \$199, that is not a per night charge. That is the price for up to six people for an entire week! At that rate, each person is paying less than \$5 per night!

We are able to offer such low prices because we cut out travel agents and their associated costs—commissions, brochures, and advertising—and put you in direct contact with resort and timeshare owners. You are in complete control, able to book your own suite with the amenities you want and a price you can afford.

All of the resorts on our site are located in Orlando and surrounding areas, including Kissimmee and Davenport, Florida.

Advantages of Resort Vacationing

Why stay in a cramped hotel room with few amenities when you can spend a week in an apartment-style suite?

- With a full kitchen you can save money on food costs. Shop at the on-site grocery store available in many of our resorts and cook your own meals, leaving room in the budget for a few nice dinners out.
- With separate bedrooms and living areas, you can enjoy a fun family vacation but still have a private space of your own for some quiet time.
- Most resorts also offer in-suite laundry facilities and many provide high-speed WiFi access.

Outside of the suites themselves, our resorts offer a wide range of recreational activities. Swimming pools, lakes, boating, waterskiing, horseback riding, hiking trails, cycling, and golf are just some of the options available at the resorts on our website.

In the mood for some relaxation? Day spas, saunas and whirlpools are also available at most resorts. Rent movies, enjoy a cocktail at the local bar, hire a sitter to enjoy a night out—the possibilities are endless!

Of course, when coming to a resort in Orlando, Florida, you want to take in the many attractions in the area. Resorts booked through our website are all located in close proximity to Disney World, Sea World, Universal Studios, Island of Adventure, Wet N' Wild, Discovery Cove, Gator Land and more! Some even have shuttle service directly to the various attractions.
